The Alight Motion App is an all-in-one app to edit your videos and add smooth animations. With the ever growing social influence, many content creators want to edit their videos like a pro but they can't afford to spend their time on industry level video editing softwares. That's where, Alight Motion steps in and allows everyone to edit their videos magically with so much ease. But, there's a limit to which you can edit your videos like a pro in the basic version and in order to enhance your editing skills you'll surely need the premium version which can cost you. But worry not, here at The Alight Motion App, you'll be able to download the premium version for free.

Our goal is simple: To benefit people with what we can.
